

Eng-Lui LEE

Senior Manager, Carrier Relations

International Carrier Sales & Solutions

T-Systems Singapore Pte Ltd

Eng-Lui Lee is the Senior Carrier Relations Manager for Middle East of T-Systems International Carrier Sales & Solutions (ICSS).

Eng-Lui started his career at Deutsche Telekom Asia in 1998 where he assumed the role in Joint Venture Management Support supporting Deutsche Telekom's joint ventures in Asia. He commenced working for ICSS in mid 2001, tasked with responsibilities for business growth of 20 countries in the Middle East and East Africa region.

Eng-Lui started his career in the IT and Telecommunications in 1995 with Telstra in Australia and IBM Singapore before joining the Deutsche Telekom Group in Singapore. Prior to that, Eng-Lui held several managerial positions in the financial sector in Singapore, Malaysia and Australia.

Eng-Lui graduated from the Waikato University in 1984 with a Bachelor of Management Studies and holds a Mater of Enterprise Innovation from Swinburne University of Technology.
