Osman Sultan
CEO
du

Osman Sultan, the CEO of Emirates Integrated Telecommunications Company, du, has a wealth of experience having worked in telecommunications and Information Technology in several countries in Europe, North America and the Middle East.

holder of a Degree in Engineering, Mr. Sultan was the Chairman of the Arab Working Group for the Private Sector in the International Telecommunications Union (ITU). He began his professional career with the France Telecom Group in 1983, going on to receive the award for The Best Web Site-Legal Product from the American Information Association in 1996. He later received the Man of the Year award from the Professional Electronic Information Services Community in France in 1997.

Mr. Sultan comes to du having completed an eight year stint at the helm of the Egyptian Company for Mobile Services (MobiNil), a company he helped set up in 1998 to operate a GSM licence in Egypt.
